

Feelings

Feelings, nothing more than feelings
Trying to remember my feelings of love
Teardrops rolling down on my face
Trying to remember my feelings of love

Feelings, for all my life I'll feel it
I wish I will meet you, My Lord
You will come again
Feelings, woo-o-o feelings, woo-o-o feelings
again in my heart

Feelings, feelings like I've never lost you
And feelings like I will have you
again in my heart

Feelings, for all my life I'll feel it
I wish I will meet you, My Lord
You will come again

Feelings, feelings like I've never lost you
And feelings like I will have you
again in my heart

Feelings, woo-o-o feelings, woo-o-o feelings
again in my heart
Feelings, woo-o-o feelings, woo-o-o feelings
woo-o-o, woo

I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?
Well it goes like this:
The fourth, the fifth, the minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah Hallelujah Hallelujah Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah Hallelujah Hallelujah Hallelujah

Oh Lord I've been here before
I've seen this room and I've walked this floor
You know, I loved many girls before I knew ya
I've seen your Light on the marble arch
And love is not a victory march
It's a fire that burns our ego, Hallelujah

Hallelujah Hallelujah Hallelujah Hallelujah

There was a time when you let me know
What's really going on below
And now you show that love to me my Lord
I remember when I saw your glory and love
the holy Light was shining too
And every breath I drew was Hallelujah

Hallelujah Hallelujah Hallelujah Hallelujah

For sure there's a God above
And all I've ever learned from love
Was to surrender my ego to divine love

And it's not a cry that you hear at night
It's the joy and you see the supreme light
It's a great and it's an absolute Hallelujah

Hallelujah Hallelujah Hallelujah Hallelujah, Hallelujah Hallelujah Hallelujah
Hallelujah, Hallelujah Hallelujah Hallelujah, Hallelujah, Hallelujah

Have I Told You Lately

Have I told you lately that I love you
Have I told you there's no one else above you
You Fill my heart with gladness
take away all my sadness
ease my troubles that's what you do

For the morning sun in all it's glory
greet the day with hope and comfort too
You fill my life with laughter
take away and make it better
ease my troubles that's what you do
There's a love that's divine
and it's yours and it's mine like the sun
And at the end of the day
we should give thanks and pray
to the one, to the one

Have I told you lately that I love you
Have I told you there's no one else above you
You Fill my heart with gladness
take away all my sadness
ease my troubles that's what you do

There's a love that's divine
and it's yours and it's mine like the sun
And at the end of the day
we should give thanks and pray
to the one, to the one

Have I told you lately that I love you
Have I told you there's no one else above you
(You) fill my heart with gladness
take away all of my sadness
ease my troubles that's what you do
You fill my life with gladness
Take away all my sadness
ease my troubles that's that's what you do

I am sailing, I am sailing
Home again, 'cross the sea
I am sailing stormy waters
To be near you, to be free

I am flying, I am flying
Like a bird, 'cross the sky
I am flying, passing high clouds
To be with you, to be free

Can you hear me, can you hear me
Through the dark night far away
I am dying, forever crying
To be with you, who can say

Can you hear me, can you hear me
Through the dark night far away
I am dying, forever crying
To be with you, who can say

We are sailing, we are sailing
Home again 'cross the sea
We are sailing stormy waters
To be near you, to be free

Oh Lord, to be near you, to be free
Oh Lord, to be near you, to be free
Oh Lord, to be near you, to be free
Oh Lord

I gotta take a little time
A little time to think things over
I know there is so much more
Yes I have to live it full and total

A uh this mountain I must climb
Feels like a call from the heaven
through the clouds I see God shine
It makes me so exciting and joyful

In my life there's been struggle and pain
I know I can face much more for God
Can't stop now, I've traveled so far
To change this lonely life

I wanna know what God is,

I want you to show me
I wanna feel what God is,
I know you can show me

Oh I'm gonna take a little time
A little time to understand me
I've nothing to left behind me
It looks like God has finally found me

In my life there's been struggle and pain
I know I can face much more for God
Can't stop now, I've traveled so far
To change this lonely life

I wanna know what God is,
I want you to show me
I wanna feel what God is,
I know you can show me

I wanna know what God is,
(I want you to show me) Oh I wanna feel it
(I wanna feel, what God is) And now
(And now, you can show me) Let's talk about God
(I wanna know what God is,) Yeah the God that you feel inside
(I want you to show me,) I'm feeling so much love
(I wanna to feel what God is,) Oh yeah gonna try
(I know you can show me) Yeah (I wanna know what God is) Let's talk about God
(I want you to show me,) Ohh wanna feel it I wanna feel it too
I wanna feel it too. And I know and know (I know you can show me)

I can feel it coming **in the air tonight**, oh Lord
And I've been waiting for this moment for all my life, oh Lord
Can you feel it coming in the air tonight, oh Lord, oh Lord

Well if you told me you were drowning, I would lend you a hand
I've seen your love and light before me, but I don't know who you are
Well I was there and I saw what you did, I felt it with my own heart
So I can relax and let go, just become myself

It's all been incredible love

And I can feel it coming in the air tonight, oh Lord
Well I've been waiting for this moment for all my life, oh Lord
I can feel it coming in the air tonight, oh Lord, oh Lord

When I remember, I remember your love, how could I ever forget
When I needed Your help, you saved again and again my life

But I know the reason why you keep your silence up,
oh no you don't fool me

Well the silence is reflecting, your compassion for me
It's no stranger to you and me

I can feel it coming in the air tonight, oh Lord
I've been waiting for this moment for all my life, oh Lord
I can feel it in the air tonight, oh Lord, oh Lord
I've been waiting for this moment for all my life, oh Lord
I can feel it coming in the air tonight, oh Lord
And I've been waiting for this moment all my life, oh Lord
I can feel it in the air tonight, oh Lord, oh Lord,
I can feel it in the air tonight, oh Lord, oh Lord,
I can feel it in the air tonight, oh Lord.

Kali is always a woman to me

Kali can kill with a smile, she can wound with her eyes
Kali can ruin your faith with her casual lies
And she only reveals what she wants you to see
She hides like a child, but she's always a woman to me

Kali can lead you to love, she can take you or leave you
Kali can ask for the truth, but she'll never believe
And she'll take what you give her as long it's free
Yeah, Kali steals like a thief, but she's always a woman to me

Ohhh... she takes care of herself
Kali can wait if she wants, she's ahead of her time
Ohhh... and she never gives out
And Kali never gives in, she just changes her mind

And she'll promise you more than the garden of Eden
Then she'll carelessly cut you and laugh while you're bleeding
But she'll bring out the best and the worst you can be
Blame it all on yourself 'cause she's always a woman to me

Ohhh... she takes care of herself
Kali can wait if she wants, she's ahead of her time
Ohhh... and she never gives out
And Kali never gives in, she just changes her mind

She's frequently kind and she's suddenly cruel
Kali can do as she pleases, she's nobody's fool
Kali can't be convicted, she's earned her degree
And the most Kali will do is throw shadows at you,
But Kali is always a woman to me

Love is in the air

Everywhere I look around
Love is in the air
Every sight and every sound

And I don't know if I'm being foolish
Don't know if I'm being wise
But it's something that I must believe in
And it's there when I relax and let go of all

Love is in the air
In the whisper of the trees
Love is in the air
In the thunder of the sea

And I don't know if I'm just dreaming
Don't know if I feel sane
But it's something that I must believe in
And it's there when I give up my ego trips

(Chorus)

Love is in the air
Love is in the air
Oh oh oh
Oh oh oh

Love is in the air
In the rising of the sun
Love is in the air
When the day is nearly done

And I don't know if you're an illusion
Don't know if I see it true
But you're something that I must believe in
And it's there when I surrender to God

Love is in the air
Everywhere I look around
Love is in the air
Every sight and every sound
And I don't know if I'm being foolish
Don't know if I'm being wise

But it's something that I must believe in
And love is there when I am in the flow

Love is in the air
Love is in the air
Oh oh oh
Oh oh oh

Love is in the air
Love is in the air
Oh oh oh
Oh oh oh

It's hard for me to say the things
I want to say sometimes
There's no one here but you and me
And that broken old street light
open the doors
We'll leave the world **outside**
All I've got to give to you
Are these five words tonight

Thank you for loving me my Lord

For being my eyes
When I couldn't see
For opening my heart
When I couldn't love
Thank you for loving me
Thank you for loving me my Lord
I never knew I had a dream
Until that dream was you
When I look upwards to you
The sky's a different blue
you open my heart
And give me the love
if I need you, you come
if I sin you forgive me

Thank you for loving me my Lord
For being my eyes
When I couldn't see
For opening my heart
When I couldn't love
Thank you for loving me my Lord
You pick me up when I fall down
you rescue me when there is no chance
If I was drowning you would part the sea
And be with me when everybody leaves me

Year Oh my Lord Oh my Lord Oh my Lord
open the doors
We'll leave the world outside
All I've got to give to you
Are these five words tonight
Thank you for loving me my Lord
For being my eyes
Ooh When I couldn't see
For opening my heart
When I couldn't love
Thank you for loving me
Thank you for loving me
Thank you for loving me my Lord
Oh for loving me my Lord

The first step is the hardest

I would have given you all of my heart
But my thoughts torn it apart
And my doubts takin' all that I've got
But if you want, I'll try to love again
Oh Lord I'll try to love again but I know

The first step is the hardest, my lord I know
The first step is the hardest
when it comes to faith in you, I fail
When it comes to virtuous I sin again
I still want you by my side
Just to help me dry the tears that I've cried
But I'm sure gonna give you a try
if you want, I'll try to love again
Oh Lord, I'll try to love again, but I know

The first step is the hardest, my lord I know
The first step is the hardest
when it comes to faith in you, I fail
When it comes to virtuous I sin again
I still want you by my side
Just to help me dry the tears that I've cried
But I'm sure gonna give you a try
Cuz if you want, I'll try to love again
Oh Lord, I'll try to love again, but I know

Oooh The first step is the hardest, my lord I know
The first step is the hardest

when it comes to faith in you, I fail
when it comes to virtuous I sin again

The greatest Love

I believe in God that is our future
Be aware of your feelings and thoughts
Show yourself all the beauty you possess inside
Give yourself a sense of pride to make it easier
Let our own laughter remind us that our life is a joke

Everybody's searching for a hero
People need someone to look up to
I never found anyone who fulfilled my needs
A lonely place to be
so I learned to depend on me

I decided long ago, never to walk in anyone's shadows
If I fail, if I succeed
At least I'll live as I believe
No matter what they take from me
They can't take away my dignity
Because the greatest love of all
Is happening to me
I found the greatest love of all
Inside of me
The greatest love of all
Is easy to achieve
Learning to love yourself
It's the greatest love of all

I believe in God that is our future
Be aware of your feelings and thoughts
Show yourself all the beauty you possess inside
Give yourself a sense of pride to make it easier
Let our own laughter remind us that our life is a joke

And if, by chance, that special place
That you've been dreaming of
Leads you to a lonely place
Find your strength in love

Waiting for you my lord

So long

I've been looking too hard, I've waiting too long

Sometimes I don't know what I will find

I only know it's a matter of time

When you love someone

When you love someone

It feels so right, so warm and true

I need to love you it feels so good

Maybe I'm wrong

Won't you tell me if I'm coming on too strong

This heart of mine has been hurt before

This time I want to be sure

I've been waiting for you my lord

To come into my life

I've been waiting for you my lord

A love that will survive

I've been waiting for you my lord

To make me feel alive

Yeah, waiting for you my lord

To come into my life

You're so good

When we together it's understood

It's more than an emotion or a word we say

Only in dreams could it be this way

When you love someone

Yeah, really love someone

Now, I know it's right

From the moment I wake up till deep in the night

There's no where on earth that I'd rather be

Than loving you, tenderly

I've been waiting for you my lord

To come into my life

I've been waiting for you my lord

A love that will survive

I've been waiting for you my lord

To make me feel alive

Yeah, waiting for you my lord

To come into my life

When I need you

I just close my eyes and I'm with you
And all that I so want to give you
it's only a heart beat away

When I need love

I hold out my hands and I touch love
I never knew there was so much love
keeping me warm night and day

Worldly desires of empty space in between us
My longing seeks hard for your love
But you know we won't be apart forever
It's cold out but hold out and do like I do

When I need you

I just close my eyes and I'm with you
And all that I so want to give you
it's only a heart beat away

It's not easy when my pain is the driver
Lord that's a heavy load that we bear
But you know we won't be apart forever
It's cold out so hold out and do like I do

When I need you

I just close my eyes and I'm with you
And all that I so want to give you
it's only a heart beat away

My separation from you cause my pain
Oh Lord my darling please come to me
But you know we won't be apart forever
It's cold out so hold out and do like I do

When I need love

I hold out my hands and I touch love I
never knew there was so much love
keeping me warm night and day

When I need you

I just close my eyes and I'm with you
And all that I so want to give you
it's only a heart beat away
When I need love ...
